April 23, 2025

Dear Davis Ford Customer,

We are excited to announce the new formation of Shooting Star Home Services! Smith & Rawlings Heating & Plumbing, Davis Ford HVAC, Countryside HVAC, SPECS HVAC, and 5 Star Pest Solutions are all now consolidated under Shooting Star Home Services.

If you know us as Davis Ford, you can continue to use the same phone numbers, company name, and expect to see the same friendly faces moving forward. Our service area has grown exponentially across the DMV, and we are now happy to finally be settled and anchored in Annapolis, Maryland.

In addition to offering HVAC, Electric, Duct Cleaning, and Pest control solutions, Shooting Star Home Services is now offering Handyman services to fulfil many requests we have been receiving.

As a thank you to all of our legacy customers at Davis Ford, we would like to offer you a 10% off coupon for your next service* in the month of April or May using the code "SSHS Discount."

We are looking forward to many more years working hard to fulfill all of your homecare needs!

Thank you!

Larry Crow

General Manager
